YASH SISODIYA

B.TECH CSE

Karawal Nagar, Delhi, India

Summary

Now, I am in B.Tech third year. I have got to learn a lot of things in this. And I also know web designing and emerging technology.

I have done many projects in Emergent Technology like Robot, Obstacle Detection and Gas Detection.

I also got prize money and medal in Akhil Bhartiya Rajput Vikas Samiti for my 10th class performance.

I like to write quotes and I have also written some quotes like "To get anything focus on it more than hard work for it."
